Items Discussed

1. Follow-up on PBL discussion
   a. The Foundations Committee will further develop guidelines for PBLs based on feedback from ECC and Dr. Dr. Ira Schwartz

2. Anatomy curriculum update
   a. Drs. Eley and McKeon are in the process of formulating an improved process for the Anatomy curriculum so that it will not need to be its own course on the student transcripts.

3. Module review process based on revised Foundations Review Schedule
   a. A pilot review session will take place for the next few months, beginning with Prologue I, II and Exercise and Movement to finalize our review process.
