Conduct Procedures

Anyone wishing to report an alleged incident of misconduct under this Code may make such a report to the Executive Associate Dean for Medical Education and Student Affairs or to any Assistant or Associate Dean for Medical Education and Student Affairs. Reports generated by the Emory Police will be forwarded to the Dean for Campus Life or his/her designee and to the Executive Associate Dean for Medical Education and Student Affairs. The Executive Associate Dean for Medical Education and Student Affairs will make a determination as to whether or not an action should be taken in response to a report. If it is determined that further action should be taken, the Executive Associate Dean for Medical Education and Student Affairs will notify the student in writing that he or she must make an appointment for a preliminary meeting within five days of the date on the notice for the purpose of reviewing the report. Failure of the student to schedule or attend this preliminary meeting will automatically result in formal charges as described below.

Following this preliminary meeting, an investigator (faculty member) will be appointed by the Executive Associate Dean for Medical Education and Student Affairs to conduct an investigation to determine if the report has merit. The investigator may recommend the matter should proceed to formal charges or be disposed of administratively by agreement of the parties involved on a basis acceptable to the Executive Associate Dean for Medical Education and Student Affairs.

If the matter is not so resolved, the Executive Associate Dean for Medical Education and Student Affairs will then meet again with the student and present the student with a letter stating the formal charges and a copy of all documents relevant to the case.

If a student admits to having violated the Code of Conduct as charged, the student shall have the following options as to how sanctions will be determined:

- The student may waive his or her right to a hearing and have the Executive Associate Dean for Medical Education and Student Affairs determine the appropriate sanction.
- The student may choose a hearing with an ad hoc conduct committee appointed by the Executive Associate Dean for Medical Education and Student Affairs to determine the appropriate sanctions.

This selection shall be made in writing within five days of the student’s request for a hearing and be recorded by the Executive Associate Dean for Medical Education and Student Affairs.

If the student does not admit to having violated the Code of Conduct as charged, the charges will be referred for a hearing and a copy of all documents relevant to the case will be forwarded to the appropriate hearing body and the student involved.

If an accused student fails to respond to any notification in writing concerning the conduct process, his or her case will be automatically referred to a hearing with an ad hoc conduct committee.

The School of Medicine reserves the right to place a “hold” on the diploma, degree certification, or official transcripts of a student who has been charged with a conduct violation under the Code even though he or she may have completed all academic
requirements. The diploma, degree certification, or official transcripts may be withheld until the conduct charges have been resolved and/or sanctions completed.
