Sanctions

The following sanctions, singularly or in combination, may be imposed upon any student found to have violated the School of Medicine Conduct Code:

- **Warning**: A notice in writing to the student that the student has violated institutional regulations and must cease and not repeat the inappropriate action.
- **Probation**: A written reprimand for violation of specific regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to be violating any institutional regulation(s) during the probationary period.
- **Restitution**: Compensation for loss, damage, or injury. This may take the form of service, monetary compensation, or material replacement.
- **Discretionary Sanctions**: Work assignments or service to the School of Medicine, the University or the community.
- **Suspension**: Separation of the student from the School of Medicine for a definite period of time, after which the student may be eligible to return. Conditions for readmission may be specified.
- **Expulsion**: Permanent separation of the student from the School of Medicine.

Conduct sanctions (5) Suspension and (6) Expulsion shall be entered permanently on a student’s record. Sanction (2) Probation shall be entered on a student’s record for the term of the probation. Any sanction may include mandatory referral to university-based resources for medical or mental health evaluation and treatment if necessary. An evaluation supporting the student’s reentry to medical school may be needed before reentry into any course work or clinical rotations.
