Clinical Education

The Office of Clinical Education provides resources to support students during the Application, Discovery, and Translation Phases. Some of the major activities of this office include:

- Plan and implement Orientation to the Clinical Years
- Career counseling and assistance with selecting a clinical advisor
- Determine student schedules during the Application and Translation Phases
- Review clinical student assessments and provide counsel to students in need of remediation
- Organize and implement informational class meetings, including Residency Days, for students in their clinical years
- Write student Medical Student Performance Evaluation (MSPE) letters for residency applications
- Issue tokens to access ERAS and upload documents
- Counsel and assist students with the residency application process - selecting letter writers for letters of recommendation, residency program choices, interviewing, NRMP rank list, etc.…
- Counsel unmatched students with the Supplemental Offer and Acceptance Program (SOAP)
- Assign student lockers for storing personal belongings while rotating at Grady
- Set up VSAS access for Emory students
- Screen and process visiting student applications, and place visiting students into electives

This office is supported by the Grady Campus Student Affairs staff listed above.
