SATURDAY, SEPTEMBER 26

J. Willis Hurst Medical History Symposium (CME) - James B. Williams Medical Education Building, Suite 110
Registration opens at 7:30 a.m. Presentations begin at 8 a.m. and continue through noon.
The symposium will be the most ambitious and intriguing ever and features former CDC Director, Dr. William Foege, who will talk on the early days of the CDC. Dr. Joel Breman, one of the physicians working in the field at the first Ebola outbreak in 1976, will tell us how they named the virus. Other speakers include: Associated Press science writer Michael Stobbe, PhD, Dr. David S. Jones, from Harvard School of Medicine, and Emory School of Medicine alumnus, Dr. Alan Blum. Free CME is available. Parking at Michael Street or Lowergate Decks
No charge for CME credit but registration required

James B. Williams Medical Education Building Tours - Noon
Meet in registration area
Parking at Michael Street or Lowergate Decks
