

PCC Quarterly Meeting Agenda

Wesley Woods Health Center – 5th Floor Conference Room

Tuesday, January 28, 2020, 1:30-3:00 P.M. (lunch provided)

Attendees: Michelle Murphy, Ted Johnson, Miranda Moore, Sonya Green, LeShea Turner, Jenny Mascaro, Erica Webb, Anna Vandenberg, Eva Rimler, Leigh Partington, Jason Freiji, Mo Ali, Danielle Jones, Luke Anderson, Maha Lund, Tina-Ann Thompson, Fred Turton, Chris Masi

- I. Welcome and Introductions (5 minutes) (**Danielle Jones**)
- II. Financial Reports (10 minutes)
 - a. Budget Update (**Luke Anderson**). 2 grants funded.
 - b. Sponsorship Committee Report (**Maha Lund**). No ASE funds used. 2 LIPD students were funded to attend Gerontologic conference - \$800 for student presenting, \$500 for student attending. Website language was rewritten to clarify \$800 cap for presenting students; \$500 cap for attendees who are not presenting. Leigh will send PCC logos to Jenny and Maha for use on posters.
- III. Update on Activities
 - a. Grants Committee Update – 5 minutes (**Jenny Mascaro**). Had one submission for this grant cycle.
 - b. Pipeline Committee Updates – 5 minutes (**Sonya Green**). The pipeline committee is up and running. Mission and goals developed, barriers identified, and subcommittees formed and meeting. They are aiming to present recommendations at the April meeting. Focusing on recruiting preceptors now. Suggestion: instead of framing precepting as a burden, find preceptors who say working with learners brings them joy and fights burnout. [Slides available]
 - c. Incentives Program Update – 20 minutes (**Frederick Turton**). Incentives and evaluation are progressing. Also the idea of creating a model of care that can be branded. Cycles of Care are being created at 1525, Midtown, and Peachtree Hills. Pre-encounter contact makes appointments go better. Cycle of patient/provider encounter -> Depart process -> InterVisit interval -> PreVisit process -> patient/provider encounter. [Slides available]
- IV. Brainstorming Session -30 minutes (**Ted Johnson**) \$20M/5 years for Loan Repayment – what would you do?
- V. New Business/Announcements (10 minutes). Danielle introduced the Young Physicians Initiative and suggested that we might find a way to support it.
- VI. Meeting Wrap-up (5 minutes) (**Danielle Jones, MD**)
 - a. Next meetings: April 29, July 29, October 28

Vision: Careers in primary care are viable, sustainable, and rewarding. Emory becomes a destination for training and working in primary care.

Mission: To promote a positive, diverse culture of collaboration and engagement that supports high value and quality patient-centered primary care, discovery and innovation.

Goals:

- To offer and sustain opportunities for excellence in clinical practice, scholarship, research, education, and

EMORY
UNIVERSITY

Primary Care Consortium

leadership.

- To serve as a focal point for implementation and on-going integration of activities supporting primary care - across the departments, schools, health systems and communities.
- To support further growth of high-functioning, interdisciplinary, teams, and expand the pipeline of primary care leaders, clinicians, and researchers.
- To support learner focused initiatives.

Activities:

- Faculty Engagement, Promotion, Recruitment, and Retention
- Funding Support for Student Groups, Emory Primary Care Branding/Outreach (External and Internal Audiences), Individual Project Grants
- Cataloging and Promoting Emory's Primary Care Activities/Projects/Efforts
