

NEXT GEN

High School Internship Program

Department of
Human Genetics

June 1- July 7, 2023

**Emory University
Department of Human Genetics**

**PAID HIGH SCHOOL INTERNSHIP
OPPORTUNITY**

If you are a rising Junior or Senior in High School, you are eligible to participate in a paid, summer internship at Emory University! The NEXT GEN Program is a STEM, College, and Career Readiness Program for underrepresented minority students.

About the program • Five-week paid position • One-on-one mentorship • Classes in Genetics • Lab experiments • Shadowing of faculty and lab members within the department • Information for applying for college and scholarships • Day trips to local Atlanta businesses with STEM career opportunities • Guest speakers on other STEM-related topics
