

EMORY

UNIVERSITY
SCHOOL OF
MEDICINE

Department of Medicine

The Community & Engagement Council of the Emory University Department of Medicine invites fourth-year medical students to apply for our Emory University Department of Medicine Virtual Visiting Clerkship Program. This clerkship, which specifically targets students who intend to apply to and pursue a career in Internal Medicine (or an IM subspecialty) and who also have a strong commitment to health equity, exposes students to a thriving academic medical center and careers in Medicine.

Accepted students will receive:

- Faculty mentorship
- Exposure to educational activities at Emory in the Department of Medicine
- Virtual exposure to clinical sites at Emory
- Opportunities to meet with residency leaders in the J. Willis Hurst Internal Medicine Residency
- Coaching for interview season

Application requirements and eligibility:

- Current enrollment at an accredited US Medical School
- Anticipated graduation of Spring 2026
- Completion of attached application
- Letter of support
- Current CV or resume
- Official USMLE or COMLEX transcript

THE EMORY DOM VIRTUAL MINI-CLERKSHIP
Emory University Department of Medicine Community & Engagement Council
Virtual Visiting Students Application 2026

Deadline to apply is 7/31/2026.

Only those with a COMPLETE application by the deadline will be considered for the Emory DOM Mini-Clerkship

First Block: Aug. 10, 2026 – Aug. 21, 2026 | Second Block: Aug. 24, 2026 – Sept. 4, 2026 | SAMPLE SCHEDULE INCLUDED BELOW

Last Name:

First Name:

Cell Phone #:

Primary Email Address:

Mailing Address:

USMLE 1 Score (please list all attempts, if applicable)

USMLE Step 2 score (please list all attempts, if applicable)

Name of Medical School:

Anticipated date of graduation:

Name of Undergraduate Institution

I am applying to Internal Medicine residencies:

Yes No

Preferred rotation block:

Are you a [first-generation college student](#)?

No
 Yes

Do you have a parent or immediate family member who is a physician?

No

Yes

If you are from a disadvantaged background*, please describe. (250 words max):

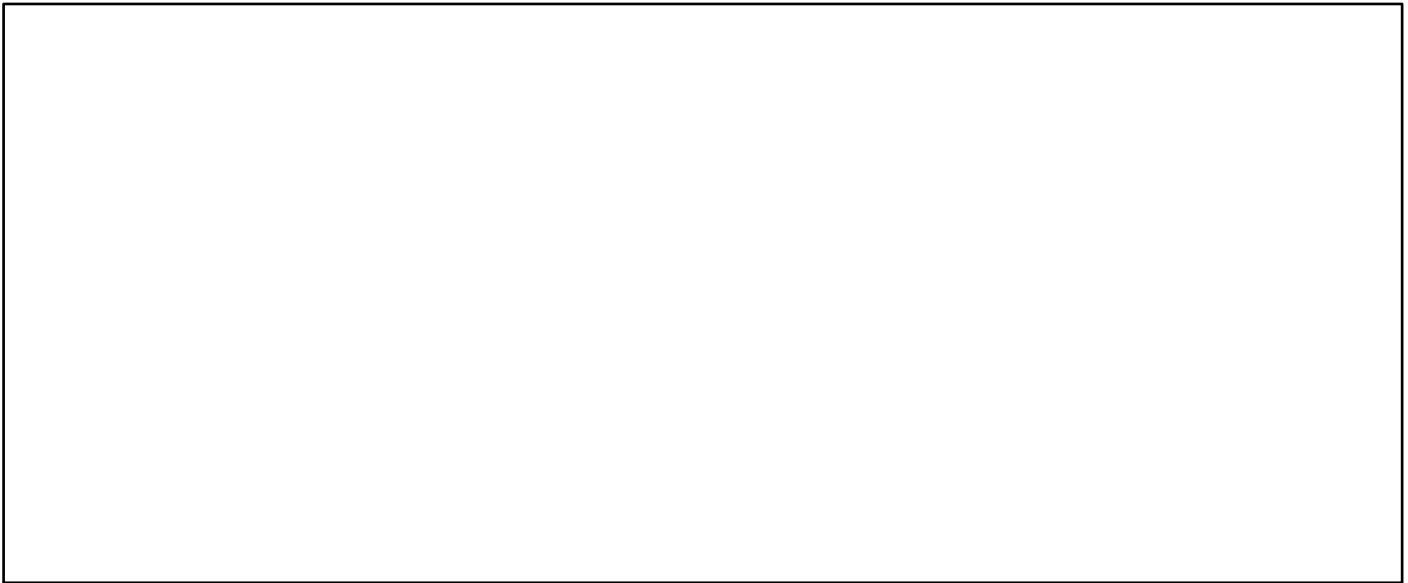

*Criteria for a Disadvantaged Background as defined by, *but not limited to*, the HRSA Bureau of Health Professions Workforce:

- Rural environment hometown (population approximately <10k),
- Educationally disadvantaged background: first generation college-educated, or
- Economically disadvantaged background: history of SNAP benefits, Medicaid, or has lived in public housing

Please briefly describe your reason for applying to the program and interest in Internal Medicine (400 words max):

Health equity is the fair and just opportunity for everyone to attain their highest level of health. Working within Emory's four-hospital system and the Atlanta community requires a strong commitment to advancing equity in care. **Describe your understanding of health equity and how your experiences and values have prepared you to contribute to this mission as a resident.**

(400 words max):

A large, empty rectangular box with a thin black border, intended for the applicant to write their response to the prompt. The box is currently blank.

Required Documents (please send electronically:)

- Letter of support from an Internal Medicine faculty member at your home institution. This should be directly emailed to us from author.
- Attach your resume/ CV.

Terms & Condition for All Participants (your signature below indicates your acceptance):

- I agree to all the terms and conditions to the [Emory University School of Medicine Code of Conduct](#).
- I agree to participate in the rotation to which I have been accepted during the aforementioned dates and the diversity program activities.
- I agree to participate in a cohort based model during my rotation periods. This involves sharing your contact information with other visiting students that have also been selected as recipients for the diversity stipend award.
- I understand that this virtual mini-clerkship is not for a grade or credits. I also understand that this experience does not guarantee an interview with the Emory J. Willis Hurst Internal Medicine Residency program.

Student Signature & Date
