

Overall Goals:

- Seek out formal educational roles
- Seek out funding and support for educational projects (FAME, SOUP, etc.)
- Look for funded role opportunities

Direct Teaching/Mentoring

DELP Program: Meet with first-year PA students approximately every other month, from February-September, to teach about history-taking and physical exam skills. Contact Anna Von.

MEDICAL STUDENT CLINICS SEEKING FACULTY SUPPORT

Good Sam Clinic: 1-2 times a month, Saturday from 9-12 a.m. Can volunteer as able. Precept medical students (M3/M4 paired with M1/M2) who present walk-in patients at primary care clinic. At most, 4 patients, usually less. Contact Noble Maleque, Ray Dantes.

LOCAL TALKS ON A TOPIC/NICHE OF INTEREST

(Contact your site director for education - SADE)

Resident Lunch Conference at EUH: Present 45-60 minute presentation on any topic of interest for the IM residents and medical students. Contact Annie Massart.

Mini-Core Lecture for Residents at EUHM: Present 30-60 minute presentation on core topic for the IM residents and medical students. Contact Lena Burklin.

EUH Education Conference: Present 30-60 minute case or topic of your choosing to EUH HMS faculty. Contact Annie Massart.

Grady Ambulatory Resident Conference: Present 45-50 minute chalk-talk or PowerPoint presentation to IM residents from a set list of topics, or one of your choosing. Contact Jen Lom.

EDHM Grand Rounds: Present a 45-55 minute PowerPoint presentation on a topic of your choice. Contact Dustin Smith.

REGIONAL TALKS ON A TOPIC/NICHE OF INTEREST

Medicine Grand Rounds at Piedmont Athens Medical Center: Present 45-50 minute PowerPoint presentation to ARMC faculty, staff, residents, and students on a topic of your choosing. Contact Annie Massart.

SHM Atlanta Chapter Dinner: Present a 40-50 minute topic relevant to Hospital Medicine. Contact John Vazquez.

Southern Hospital Medicine Annual Conference: Present a 30-50 minute topic relevant to Hospital Medicine. Contact Annie Massart, Dustin Smith, or Dan Dressler.

Grants

FAME Grant: The FAME (Fostering the Academic Mission in the Emory Department of Medicine) grant program is designed to provide support for faculty to dedicate up to 20% of their professional time to scholarly activity including research, education, quality improvement projects and mentoring. For more information, visit www.medicine.emory.edu/research/internal-research-resources/funding-opportunities/fame-grant.html.

Division of Hospital Medicine Faculty Development Award: Provides funding to attend conferences that foster growth and development in the field of Hospital Medicine. A list of eligible conferences is available through the division. Examples include: Academic Hospitalist Academy, Harvard Macy Institute, Duke EBM course, and McMaster's Course. Biannual opportunity in April/August. (See the call through emails from Associate Division Director for Faculty Development.)

SOUP Funds: Contact your SADE to learn more about this opportunity to receive funding from the Division for a project.

Woodruff Health Educators Grant: 18-month program for health science educators who want to develop skills in educational research and scholarship. For more information, visit <http://whsc.emory.edu/education/whea/WHEA-fellowship/index.html>.

Ongoing Training

Faculty Development Awards: Biannual opportunity in April/August. Apply for funding outside of your CME to pursue additional training. (See the call through emails from Associate Division Director for Faculty Development.)

LOCALLY

Faculty Education, Enrichment and Development (FEED) Conference: This half-day CME conference is open to clinician educators, clinical researchers, and basic scientists. Topics vary by year.

Learning to be Better Teachers: Learning to be Better Teachers is a full-day Emory workshop, organized by William Branch, M.D., professor of medicine, which provides faculty with an opportunity to interact with colleagues across the School of Medicine and enhance their teaching skills.

REGIONALLY/NATIONALLY

- [Academic Hospitalist Academy](#)
- [Harvard Macy Institute](#)

Longitudinal Programs: >12 months

WHEA Fellowship in Educational Scholarship: 18-month program for health science educators who want to develop skills in educational research and scholarship.

<http://whsc.emory.edu/education/whea/WHEA-fellowship/index.html>

The WHEA Teaching Fellowship: 12-month program for health sciences educators who want to advance their teaching skills and offer quality instruction to their learners.

<http://whsc.emory.edu/education/whea/teaching-fellowship/index.html>

SGIM TEACH: The TEACH certificate program is a two-year program that was developed by SGIM's Education Committee to address the needs of junior clinician educators.

<https://www.sgim.org/communities/education/sgim-teach-program>
