

The Council on Diversity, Equity, and Inclusion of the Emory University Department of Medicine invites medical students from groups underrepresented in medicine, including but not limited to underrepresented minorities and individuals from disadvantaged backgrounds to apply for our Emory University Department of Medicine #RYSE Virtual Visiting Clerkship Program. This clerkship, which specifically targets students who intend to apply to and pursue a career in Internal Medicine (or an IM subspecialty), exposes students to a thriving academic medical center and careers in Medicine. Accepted students will receive:

- A faculty mentor
- A resident mentor
- Exposure to educational activities at Emory in the Department of Medicine
- Virtual exposure to clinical sites at Emory
- An opportunity to meet with residency leaders in the J. Willis Hurst Internal Medicine Residency
- A stipend in the amount of \$250 will be given upon successful completion of the experience.

Application requirements:

- Completion of attached application
- Letter of support
- Current CV or resume
- Official USMLE or COMLEX transcript
- Official medical school transcript
- Completion of Emory's clerkship application prior to beginning the clerkship
