27TH ANNUAL CARDIOLOGY UPDATE FOR THE NON-CARDIOLOGIST

November 8-9, 2024

GENERAL INFORMATION

STATEMENT OF NEED

The Cardiology Update for Non-Cardiologists is a comprehensive cardiology course geared towards primary care, family medicine and internists. We will cover both in and outpatient cardiology topics including heart failure, coronary artery disease, arrhythmias, vascular disease, EKG interpretation and others. Nurse practitioners, physician assistants and pharmacists are all encouraged to attend, as are trainees.

WHO SHOULD ATTEND

Physicians, Nurses, Physician Assistants, Nurse Practitioners, Nurses, and Pharmacists

Specialties: Cardiology, Family Medicine, Internal Medicine

SPONSORSHIP AND ACCREDITATION STATEMENT

This program is sponsored by the Emory University School of Medicine. The Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CONTINUING EDUCATION CREDITS

The Emory University School of Medicine designates this live activity for a maximum of **13.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of nursing continuing professional development (NCPD) by the American Nurses Credentialing Center's Commission on Accreditation. Attendees to this CNE activity will be awarded 13.5 Nursing contact hours.

*Application for CME credit has been filed with the **American Academy of Family Physicians**. Determination of credit is pending.*

This education live activity has been submitted to the Georgia Society of Health-System Pharmacists.

COURSE LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Apply new cardiology guidelines into their everyday practice.
- Recognize and interpret their patients' EKGs.
- Diagnose and manage basic cardiac disease.

MAINTENANCE OF CERTIFICATION (MOC)

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **13.5 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

EVENTS AND ATTIRE

Attire for the symposium is business casual and comfortable. Since meeting room temperatures and personal comfort levels vary, please bring a sweater or jacket to the educational sessions.

MEETING MATERIALS
