The materials are intended solely for general educational and information purposes, are made available in the context of the public health emergency related to the coronavirus (COVID-19) and have not been subject to review that typically would occur in a non-emergent situation. The materials do not constitute the provision of medical, legal or other professional advice.

Gown + Gloves

1. **Remove** any personal items and jewelry and put in secure location, not in pockets.

2. **Sanitize** hands.

3. **Put on** contact gown outside room.
   - Open-end **faces** your back.
   - **Tie** the back of the gown.

4. **Put on** gloves over the cuffs of the gown.

5. **Put on** N95, ensuring proper seal.
   - **Ensure** straps are not crossing.

6. Place hands over the front of the N95. **Breathe** an easy deep breath in and out.
   - If you **feel** air escape the edges, **refit** and **repeat**.

7. **Sanitize** gloves.

Respirator

Eyes + Entry

8. **Put on** face shield.

9. **Sanitize** gloves.

10. **ENTER**
    - **DO NOT enter** the room if you do not achieve a proper respirator seal.

11. **Do not** touch face or re-adjust N95 or face shield inside room.
