**Bios:**

**Dr. Gavin Harris**

This session will be audio and video recorded. Your participation confirms your consent to this recording. If you have any questions please contact [scdp.echo@emory.edu](mailto:scdp.echo@emory.edu).

Dr. Gavin Harris is a faculty member at Emory University School of Medicine. He is dually appointed in Critical Care Medicine and Infectious Diseases with professional interests in disaster preparedness, rapid diagnostics, biosecurity, and the treatment of high consequence pathogens.

### **Kari Love**

Kari has worked in healthcare for over 30 years as a Registered Nurse and discovered her passion for infection prevention and epidemiology 20 years ago. She is currently the Corporate Director of Infection Prevention at Emory Healthcare.

Kari has published and co-authored books and numerous articles in peer-reviewed journals and continues to remain involved in the day-to-day challenges of infection prevention. She is the recipient of the Daisy Leadership Award for her contributions during the COVID pandemic response at Emory and has received recognition for her leadership and clinical achievements.

Kari received her Nursing Degree from New Mexico State University and her Bachelor of Science and Master of Science degrees in Clinical Management and Leadership from George Washington University. She is certified in infection prevention and control (CIC) has been recognized as a Fellow of APIC (FAPIC) and is currently completing her Ph.D. in Translational Health Sciences at George Washington University. Kari lives in Atlanta with her partner and fur babies and enjoys gardening and travel.

### **Dr. Lindsey B. Gottlieb**

Lindsey Gottlieb is an Assistant Professor in the Division of Infectious Diseases at Emory University School of Medicine, the Hospital Epidemiologist at Emory Saint Joseph's Hospital, and the Associate Hospital Epidemiologist at Emory University Hospital Midtown. As Hospital Epidemiologist, she oversees a team that is tasked with tracking and preventing the spread of infections within the hospital. Her research focuses on transmission-based precautions implementation and efficacy, outbreak investigations, and diagnostic testing stewardship. In her clinical role, she provides care to patients with infectious diseases concerns in both the outpatient and inpatient settings at Emory University Hospital Midtown.

In support of improving patient care, this activity has been planned and implemented by Emory University and Project ECHO®. Project ECHO® is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

JOINTLY ACCREDITED PROVIDER™  
INTERPROFESSIONAL CONTINUING EDUCATION

### **AMA Designation Statement**

Project ECHO® designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This session will be audio and video recorded. Your participation confirms your consent to this recording. If you have any questions please contact [scdp.echo@emory.edu](mailto:scdp.echo@emory.edu).

### **ANCC Designation Statement**

Project ECHO® designates this live activity for a maximum of 1.0 ANCC contact hour. Nursing contact hours will be awarded for successful completion of program components based upon documented attendance and completion of evaluation.

### **Disclosure Statement**

Project ECHO®, in compliance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, requires that anyone who is in a position to control the content of an educational activity disclose all relevant financial relationships they have had within the last 24 months with an ineligible company.

None of the planners and presenters for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.

Gavin Harris, MD

Sharon Vanairsdale, DNP, APRN, ACNS-BC, NP-C, CEN, FAEN, FAAN

Yasmin Thornton, MPH

Allison Klajbor, MBA

Kari Love, RN, MS, CIC, FAPIC

Lindsey B. Gottlieb, MD

The following planners / presenters listed below have disclosed that they have a relevant financial relationship with an ineligible company.

#### **Nature of Relationship**

#### **Name of Ineligible Company**

Aneesh Mehta, MD

Grant/Research Support

ASPR, NIH, CDC

All of the relevant financial relationships listed for this individual have been mitigated.
