

ADOS-2 INTRODUCTORY WORKSHOP

FEBRUARY 26 & 27, 2024 (8:00 AM TO 3:30 PM DAILY)

Overview

The Emory Autism Center (EAC) is hosting a 2-day introductory training on the ADOS-2, which is used for assessing and diagnosing autism across age, language skills, and developmental levels. The workshop will provide clinicians with skills necessary to utilize the ADOS-2 Modules 1-4. Participants will be able to observe ADOS-2 demonstrations and practice scoring. A limited number of seats are available.

Location

Emory Brain Health Center Executive Park 12

12 Executive Park Dr NE
Decatur, GA 30329

**Parking is free*

APA Approved Sponsor

Emory University School of Medicine is approved by the American Psychological Association to sponsor continuing education for psychologists. Emory University School of Medicine maintains

responsibility for this program and its content. Contact Allison Schwartz (allison.schwartz@emory.edu) with questions regarding CE for this event.
