

DeJuan White, MD, DFAPA

Introduction:

I am an Associate Professor in the Department of Psychiatry and Behavioral Sciences. I clinically work at Grady on the Psychiatric Emergency Service and Crisis Intervention Service. I also serve as an Associate Program Director for the General Psychiatry residency program and a Small Group Advisor for the School of Medicine.

Areas of expertise:

My areas of expertise include emergency psychiatry, professional identity formation in individuals underrepresented in medicine, medical conditions in individuals with severe and persistent mental illnesses, and diversity and equity issues in healthcare.

Relevant personal details:

I am a first-generation Black male in medicine who enjoys music, sports, and television series.

Approach to mentoring and availability:

My approach to mentoring involves finding mutually agreeable topics or areas of growth to focus on (mix of clinical, professional, and research interests) with adaptable availability depending on needs.
