

Nia Sunflower

That's my Sunflower I grew on my patio
Now look at the Sun Shining through
Yes, Shining through, Shining through
On the day that the Nia Project Grew
I am here to share with you how the Nia Project Saved My Life
If only you knew how the Nia Project carried me through
I shared this Sunflower with you on how I Grew with the the Nia Project
And You.

[This is a poem I wrote to go with the sunflower I grew]
