

## Daily Overview (April 3, 2020)

We continue with work to improve our internal processes and planning for the upcoming weeks.

---

### Safety:

- Procedure masks for the purpose of social distancing have been distributed to clinical site directors (Greg Pennington, Chrystal Barnes, Laura Benson, Richard Wright) at the hospitals, and Michael Barber for OP sites. These leaders are coordinating deployment to faculty, staff and trainees.
- Statewide Shelter in Place Order is effective 6pm today

### Methods:

- System wide COVID ED powerplan released 4/3. Includes choices of 1-view & 2-view CXR as well as Chest CT/CTPE.
- OP imaging requests for April have be evaluated for postponement or scheduled continuation. Majority are being further postponed.
- Reassessing system for adjudicating procedures at Grady in order to align radiology and OR processes.

### Equipment:

- Nearly complete deployment of Home Workstations.
- Portable US units redeployed from non-radiology OP sites for use in COVID+ ICUs/floors will be moved in to place Wednesday 4/8.
- Ongoing work with facilities engineers related to optimization of areas with installed HEPA filters and rooms without filters at both Emory and Grady.
- UV sterilization options are being developed for the purpose of reusing N95 masks.

### Supplies:

- Both Emory and Grady have adequate supplies of PPE and cleaning supplies.

**Staffing:**

- Ongoing work for surge planning with development of a home-workstation group on Microsoft Teams.
- Moonlighting responsibility absorbed by clinical divisions starting 4/6/2020.
- Divisions continue to fine-tune on- and off-site staffing to meet clinical needs.
