You are invited...

to attend the 2019 Annual Meeting of the Southeastern Chapter of the Society of Nuclear Medicine & Molecular Imaging, to be held October 4-6, 2019 at The Georgian Terrace in Atlanta, GA. The meeting will be filled with valuable and timely education for the Nuclear Medicine community. Lectures qualify for CEU and CME, and we are planning several SAM sessions. The target audience includes physicians, physicists, technologists, radiopharmacists, residents and technologists-in-training.

Program Chairs, Ila Sethi, MD and James Fitz, CNMT of Emory University have organized an excellent and diverse program with many interesting and timely topics. The focus of this meeting will be on radiopharmaceuticals, technetium, proton therapy, medical and surgical oncology, a patient advocacy panel and much, much more. In addition, again this year we are planning to present abstracts by residents, basic science trainees, technologists, and technologist students, which will encourage thought, creativity and scholarly activity. And don't miss the **Proton Therapy Center Reception and Tour** on Saturday evening!

The SECSNMMI Annual Meeting will be held at the Georgian Terrace Hotel built in the 20th century and steeped in rich history. The Georgian Terrace Hotel is across the street from the iconic Fox Theatre where tours are held on Mondays, Thursdays and Saturdays. Atlanta boasts of many great activities for individuals, groups or families. On your down time visit places like Piedmont Park for a stroll in nature, enjoy art at the High Museum, encounter Martin Luther King Jr. at the King Center or dive into the largest Aquarium in the Western Hemisphere. While at the hotel don't forget to take a dip in the rooftop pool or enjoy kicking back at one of the hotel's dining areas.

We hope you will join us in October.

CME/VOICE Accreditation

Physician (AMA-PRA Category 1 Credits™):

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) and the Southeastern Chapter SNMMI. The SNMMI is accredited by the ACCME to provide continuing medical education for physicians.

The Society of Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) will designate this live activity for a maximum number of TBD AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

VOICE Statement:

The SNMMI, through its Verification of Involvement in Continuing Education (VOICE) program, is reviewing and will approve this meeting for a maximum number continuing education hours (CEHs). VOICE-approved credit is recognized by most licensure states and by the NMTCB and ARRT as Category A credit. Participants will receive CE credit for those sessions at which they were present a minimum of 80%.

CAMPEP:

The Southeastern Chapter SNMMI is applying for approval by the Commission on the Accreditation of Medical Physics Programs (CAMPEP) to grant MPCEC hours.

ACPE: The Society for Nuclear Medicine and Molecular Imaging, Inc. (SNMMI) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This activity has been designated as knowledge-based CPE. Learners will successfully complete the CPE activity and be awarded credit for any sessions attended in full upon completion of the activity evaluation form, which will be sent out after the program.
