- Emory University Hospital and Emory University Hospital Midtown campuses only

**EUH: PIC 50956**  
**EUHM: PIC 83825**

## Find us on EHC Connect

- On-Call Calendar tab
- Search “Pharmacy Services”
  - EUH - PIC # 50956
  - EUHM - PIC # 83825

## Examples of appropriate questions for the on call pharmacy resident:

*What is the appropriate empiric antibiotic for this patient?*

*How should I monitor this anti-epileptic?*

*A consult service recommended I start this drug, what is the correct dose?*

*I think my patient has HITT. What dose of argatroban/bivalirudin/fondaparinux should I start on this patient?*

*How long does this anticoagulant have to be discontinued before we can do this procedure?*

*This drug concentration came back, what should I do?*

- **Do you need your order verified or a dose re-timed?**  
**The inpatient pharmacy can help you!!**
- **Call 404-712-7273 for EUH or 404-686-8880 for EUHM**
