

## Release of Liability, Assumption of Risk, and Parental Consent Agreement

In consideration of being permitted to participate in the Emory University School of Medicine ("Emory") Summer Science Academy Program ("Program"), I, the participant, and my parents, if I am under eighteen (18) years old, agree to the following:

1. I understand the nature of the Program and am qualified, in good health, and adequate physical condition to participate in the Program. I further acknowledge that the Program may be conducted in outdoor and indoor locations where injuries can occur.
2. I fully understand that, although the main activities of the Program are not dangerous, there will be activities, i.e. workshops, field trips, etc., that involve risk. These risks may be caused by the actions or inactions of myself or others participating in the Program (including other participants, staff, or volunteers). There may be other risks not readily foreseeable at this time, and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my participation in the Program.
3. I hereby release, discharge, and promise to hold harmless, now or in the future, Emory University and its respective faculty, students, administrators, directors, staff, volunteers, other participants (collectively, "Releasees") from all liability, claims, demands, losses, or damages on my account. I further agree that if, despite this release and waiver of liability and assumption of risk I, or anyone on my behalf, make a claim against any of the Releasees, I will hold harmless each of the Releasees from any litigation, expenses, attorney fees, loss, liability, damage or cost which any of them may incur as the result of such a claim.
4. I agree that I will, at all times during my participation in the Program, adhere to all safety rules and obey Program rules, policies and guidelines. I agree to abide by the No Smoking/No Alcohol/No Drugs policy while participating in the Program. I understand that the consequences of violating this agreement or in any other way seriously jeopardizing the well being of anyone involved with the Program will result in my being removed from the Program and sent home immediately.
5. I understand that the Emory may release my data (including but not limited to my first and last name, birth date, and dates of enrollment in the Program) to student tracking entities such as the National Student Clearinghouse and to the high school(s) that I was attending while participating in the Program for the purpose of obtaining and disseminating my college enrollment and educational achievement information.
6. I understand that the Emory may: share data about me, in aggregate form, with funding entities and accreditation agencies; publish such data on an Emory website and in higher education and research journals or papers; and present such data in higher education or research forums.
7. I have read this agreement, fully understand its terms, understand that I have given up certain rights by signing it and have signed it freely and without any inducement other than my opportunity to participate in the Program. I intend for this agreement to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid, the balance, notwithstanding, shall continue in full force and effect.
8. I fully understand that, if I am not of legal age, i.e., under 18 years old, my parent(s) or legal guardian(s) have fully read the above waiver and release and understand it, and that I am fully bound by their signature.
