

WHSC Library

The [Woodruff Health Sciences Center Library \(WHSC Library\)](#) supports medical education, biomedical research, and clinical care through a wide range of services and programs.

We offer services such as:

- Personalized consultation and customizable group training for research, knowledge management, and evidence-based projects
- Instruction on how to use different databases and information resources for problem solving, biomedical imaging, and access to data sets.
- Assistance with publication analysis and research impact reporting, and expert support for systematic reviews

Main Campus Library
