

Personal Recordings

Students are not permitted to record (either via audio or video) any Emory School of Medicine educational event without the prior expressed authorization of the faculty member. Furthermore, audio or video recording of meetings, phone calls, conversations, patients, or of any content involving others is prohibited unless prior consent of all parties involved is obtained. Violation of this rule may be deemed a violation of the Student Conduct Code, and improper use of any curricular material, including recordings, may constitute infringement of intellectual property rights.
