

Student Events & Organizations

Our annual Student Organization Fair showcases over 70 groups and resources. New organizations are started every year, so if you don't see your favorite on the list, you can start one!

MEDICAL & SURGICAL INTEREST GROUPS

Medical Education
Medical Humanities
Medical Spanish
Medical Student Journal Club
Surgical Education
Teddy Bear Hospital
The Styloid Process (literary magazine)

SOCIAL ORGANIZATIONS

Garden Club
IM & Club Sports (more than 20 teams)
Medical Improv
Musically Zealous Medical Students
Wilderness Medical Society

WHITE COAT CEREMONY

First-year students and families participate in the White Coat Ceremony each fall, when students don their physician's garb for the first time and are welcomed to the medical community.

LUNCH TIME TALKS (LTT)

Many organizations bring in guest speakers or host special events such as "Homelessness & Healthcare" or "Hispanic Health Fair" to focus on important topics in health and medicine. And free lunch doesn't hurt!

THANKSGIVING POTLUCK

The first-year class organizes a school-wide meal to celebrate food and culture from around the world.

KWANZAA

This annual tradition, honoring the Seven Principles and the shared values of African and African American communities, brings together students, staff, and faculty from all backgrounds for music, ceremony, dance, and dinner.

BIG SIB / LITTLE SIB

First-year students are paired with second-year students to form mentorship "families." A meet-your-sib picnic is held each fall. Each society organizes a fun and interactive way to find your sib. (DNA samples *not* required)

PICS WITH SANTA

The Pediatrics Interest Group sponsors this annual "fun"-raiser and plays elf to our Santa. Guess who plays Santa!

IM AND CLUB SPORTS

The fiercely competitive teams include flag football, softball, volleyball, Ultimate, soccer, rugby, tennis, lacrosse, and water polo. Over 20 teams altogether!

ETC...

The Annual Fun Run, Art Gala, Doctoberfest, Passover Seder, Medishare Date Auction, World AIDS Day, Match Day, Senior Banquet, and the famed Cadaver Ball are just a few more of the many events and gatherings that bring together the School of Medicine community.
