

STUDENT EVENTS & ORGANIZATIONS

EMORY
UNIVERSITY
SCHOOL OF
MEDICINE

Our annual Student Organization Fair showcases over 60 groups and activities for medical students. New organizations are started every year, so if you don't see your favorite interest on the list, you can start a new club. Our Medical School Senate has a budget for student orgs, so funding is available!

MEDICAL & SURGICAL INTEREST GROUPS

Addiction Medicine & Harm Reduction
Anesthesiology
Aspiring Surgeons
Cardiology
Cardiothoracic Surgery
Child & Adolescent Psychiatry
Dermatology
Emergency Medicine
Family Medicine
Gastroenterology
Geriatric & Palliative Medicine

Global Health Organization of Pediatrics
Medical AI
Medical Humanities
Medical Spanish
Medical Student Journal Club
Teddy Bear Hospital
The Styloid Process (literary magazine)

PROFESSIONAL ORGANIZATIONS

American Medical Association
American Medical Student Association
American Medical Women's Association
Association of Women Surgeons

WHITE COAT CEREMONY

First-year students and families participate in the White Coat Ceremony each fall, when students don their physician's garb for the first time and are welcomed to the medical community.

KWANZAA

This annual tradition, honoring the Seven Principles and the shared values of African and African American communities, brings together students, staff, and faculty from all backgrounds for music, ceremony, dance, and dinner.

BIG SIB / LITTLE SIB

First-year students are paired with second-year students to form mentorship "families." A meet-your-sib picnic is held in the fall. Each society organizes a fun and interactive way to find your sib. (DNA samples *not* required)

THANKSGIVING POTLUCK

The first-year class organizes a school-wide meal and fun & games to celebrate food, culture, and gratitude.

IM & CLUB SPORTS

The fiercely competitive teams include flag football, softball, volleyball, Ultimate, soccer, rugby, tennis, lacrosse, and water polo. Over 20 teams altogether!

LUNCH TIME TALKS (LTT)

Many organizations bring in guest speakers or host special events such as "Homelessness & Healthcare" or "Hispanic Health Fair" to focus on important topics in health and medicine. And free lunch doesn't hurt!

PICS WITH SANTA

The Pediatrics Interest Group sponsors this annual "fun"-raiser and plays elf to our Santa. Guess who plays Santa!

AND MORE!

The Annual Fun Run, Art Gala, Doctoberfest, Passover Seder, EGPA Date Auction, World AIDS Day, Match Day, Senior Banquet, and the famed Cadaver Ball are just a few more of the many events and gatherings that bring together the School of Medicine community.
