Emory University School of Medicine
James B. Williams Medical Education Building
100 Woodruff Circle, Atlanta, GA 30322
PROGRAM DESCRIPTION
Speakers will provide the attendees with a unique combination of clinically useful points of view, augmented by historically enlightened underpinnings, while exploring the art and humanity of medicine.

Recognition and understanding of new and enhanced guidelines for management of concussions, particularly sports related concussions.

Cultural and socially sensitive management of unexpected findings when building a new medical facility.

We wish to recognize and honor the role of the medical library and medical librarians and their contributions to medical education and on-going medical research.

COURSE OBJECTIVES
After successful completion of this educational activity, participants should be able to:

■ Recognize and garner a greater and practical understanding of recognizing concussions and how to best manage.

■ Identify and gather insight to better utilize medical library resources.

TARGET AUDIENCE
Physicians, Nurses, Pharmacists, Psychologists, Physician Assistants, Local Academic Community, and Medical Students.

ACCREDITATION STATEMENT/ CREDIT
The Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Emory University School of Medicine designates this live activity for a maximum of 4.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Emory Nursing Professional Development Center (ENPDC) is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation. Attendees to this activity will be awarded contact hours by ENPDC upon completion of the activity evaluation and by participating in 90% of the activity time.
