Emory’s Office of Postdoctoral Education Sponsors the NIH K Awards Tutorial

In anticipation of the **June 12, 2018** deadline for the NIH K Career Development Award for new proposals (and resubmission proposals for July), the Office of Postdoctoral Education will be offering the “NIH K Grant Writing Tutorial”.

**What will be covered:** The series will address the following K Award categories: K01, K07, K08, K22, K23, K25, K99/00 as well as VA CDA and other career development awards. The classes will include didactic presentation, discussion, and Q&A. Time permitting, Dr. Janet Gross will provide an individual read and review of your proposal.

**When and where** (This is a 2 class series, attending both is highly recommended):

Class 1: **TUESDAY**, March 20, 9:30am-12:30pm School of Medicine Building, Rm. 170A
Class 2: **WEDNESDAY**, March 28, 9:00am-12:00pm School of Medicine Building, Rm. 190P

**Who should attend?**
- This series is open to all Postdocs, Instructors, Assistant Professors (and equivalent)
- Candidates submitting revised (A1) proposals for the next K deadline may attend.
- Please note that the K99 has no US citizenship restriction. Additionally, K99 application must be submitted before reaching your 4-year anniversary (start date) as Postdoc
- If you are planning to submit a grant proposal within the next 6-9 months you should attend! We have learned from experience (over 160 grants submitted by students in our program) that early planning is a key to success
- We are happy to have candidates who are planning for any kind of NIH K, VA CDA, or other Career Development or Young Investigator award

**How to enroll in the course?**

- Also, please send via email to jsgros2@emory.edu your recently updated NIH Biographical sketch following the specific instructions for K Series Career Development Awards

**Please READ these in preparation for the tutorial:**
- Basics on Funding for Research and Training: [https://researchtraining.nih.gov/](https://researchtraining.nih.gov/)
- What was formerly known as the K Kiosk and how to locate a K Funding Opportunity Announcement: [https://researchtraining.nih.gov/programs/career-development](https://researchtraining.nih.gov/programs/career-development)
  - Be sure you understand the differences between the different Funding Opportunity Announcements within a given K mechanism (e.g., K01 clinical trial allowed or K01 clinical trial not allowed)
  - There is a very BROAD definition of what constitutes a clinical trial (it is not only intervention studies)
- Just about everything pertaining to locating NIH funding information is new. Please take time to learn this new website: [http://grants.nih.gov/grants/how-to-apply-application-guide.htm](http://grants.nih.gov/grants/how-to-apply-application-guide.htm)
- All Career Development Award applications will use FORMS VERSION E series materials: [https://grants.nih.gov/grants/how-to-apply-application-guide/forms-e/career-forms-e.pdf](https://grants.nih.gov/grants/how-to-apply-application-guide/forms-e/career-forms-e.pdf)
- If you are proposing research with Human Subjects, please review this website as well: [https://humansubjects.nih.gov/](https://humansubjects.nih.gov/)
