

## EMORY UROLOGY DEI VISITS THE NATIONAL CENTER FOR CIVIL AND HUMAN RIGHTS IN DOWNTOWN ATLANTA

On Saturday, February 24th, 2024, the Emory Urology DEI Committee hosted the department's visit to the National Center for Civil and Human Rights as part of the mission to educate and enlighten the community on the inspiring narratives, pivotal moments, and ongoing struggles for equality and justice that have shaped history, with an insightful focus on the profound impact of African American history on our society and beyond.
