Types of Financial Aid

Veterans Benefits

The University Office of the Registrar is responsible for certifying the eligibility and enrollment for students receiving veteran's educational benefits.

Yellow Ribbon Program for Veterans

The Yellow Ribbon Program is a provision of the post-9/11 Veterans Educational Assistance Act of 2008. This program provides additional financial support for veterans who have 100% eligibility for post-9/11 benefits. The dependents of such veterans can be eligible for Yellow Ribbon also.

Currently, one student in the MD program is awarded this funding annually in the amount of $7,000. The VA will match this amount in addition to providing any other benefits the veteran (or their dependent) is eligible to receive.

All veterans' benefits are administered through the University’s Office of the Registrar. However, each school in the University has a specific contact for Yellow Ribbon. In the School of Medicine, the contact is the Assistant Director of Financial Aid and Scholarships. Interested students should contact the director on July 31, 2024, for the 2024-2025 Yellow Ribbon Awards. Keep in mind that the funds are offered on a first-come, first-served basis for eligible applicants.

For detailed information about Veterans Benefits, including the Yellow Ribbon Program at Emory, please review the information on the Office of the Registrar’s website.

Emory Nelnet Payment Plan

Emory has partnered with Nelnet Business Solutions to develop a monthly payment plan for students who prefer to spread their payments throughout the term. The Nelnet Payment Plan is available to qualified students who wish to divide tuition fees into scheduled payments. A $25 service fee is charged to participate in the Nelnet Payment Plan.

Instructions are given for deduction of loans and for university-administered scholarships in listing the amount due, which is to be paid in two, three or four installments each semester according to the Emory Nelnet Payment Plan Schedule.

Contact Student Financial Services at (404)727-6095 or their website to sign up for a payment plan.

Scholarships for Medical Students

Over 90 named scholarships are available and awarded by the Office of Financial Aid based on eligibility as determined by the information students submit on the FAFSA and the PROFILE. In addition to need, there are scholarships based on merit and community service. No supplemental applications are required. For a list of scholarships, please refer to the financial aid website.

Private Loans

Students are encouraged to take advantage of all institutional and federal aid before turning to private loans, which may have higher interest rates and/or lack some of the other benefits of federal aid. These loans are available from some banks that participated in federal loans previously. Borrowers must be credit-worthy or have a credit-worthy cosigner. Contact the Office of Financial Aid or refer to its website for more information.

Emergency Loans

Students in need of emergency loans should contact the Assistant Director of Financial Aid and Scholarships. Short-term, interest-free loans up to $1500 are available to students for their living expenses. These emergency loans are available within 90 days of the next financial aid disbursement date. Any amount due on emergency loans will be deducted from the student’s next financial aid disbursement on the disbursement
date. If the disbursement does not cover the emergency loan amount, the student must cover the remaining balance out of pocket. Finance charges will accrue monthly on any remaining balance.
